

2016 Organizing Fellowship

The Florida Coordinated Campaign is seeking intelligent, outgoing fellows who are ready to assist with voter outreach and help elect Democratic candidates across the state.

In addition to being incredibly valuable to the campaign, Organizing Fellows develop skills that can be applied in a wide range of sectors and industries, including presenting, careful listening, data reporting & tracking, hustle, messaging, and teamwork. They also get first-hand exposure to how a major campaign operates, which is valuable for anyone interested in careers in politics or civic engagement.

The Coordinated Campaign is the umbrella organization under which the state party combines its resources and focuses its efforts to ensure that all Democrats in the state, including the presidential nominee, are elected.
